

**New York State Reading Association  
2010 Charlotte Award Ballot**

Named for the main character in E.B. White's *Charlotte's Web*, the purpose of the Charlotte Award is to encourage students to read outstanding literature and ultimately become life-long readers. Additionally, the award recognizes the authors and illustrators of such literature. Students in New York State will read titles on the ballot and vote for their favorites. Ballots must be postmarked by **April 15, 2010**. Votes will be tallied, and winners will receive their awards at the Annual NYSRA Statewide Conference that immediately follows the voting deadline.

**VOTING REQUIREMENTS:**

- Students may have the books read to them or read the books on their own to become qualified voters.
- Students are encouraged to read all of the titles in a category, but it is not a requirement.
- Students may read books in more than one category and vote in each category.
- Each reader is entitled to one vote in one or more categories.
- An adult in a classroom or library setting must monitor voting procedures, and should submit **one ballot from each participating classroom or library** that indicates the number of votes for each title.
