Exciting New Curriculum for 4th Grades Now Available

New Netherland: An Exploration of Past and Present is a teacher- and student-friendly interdisciplinary curriculum for the 4th grade. Developed to follow New York State Curriculum Standards, this publication consists of seven lessons and a standard Document-Based Question (DBQ).

The lesson plans use primary documents, raw data from the operation of the replica Half Moon, and well-designed exercises, and may be used in their entirety or as stand-alone lessons. Subjects covered include History, Geography, Mathematics, Science, Language Arts, and Reading. The DBQ may be used as a learning instrument or as a practice test for the New York State 5th grade Social Studies standardized test.

Cost: \$20, which includes tax, shipping and handling.
