The books (over 300) were donated to the Family Reading Partnership of Cortland County.

PJ's (150) were donated to the YWCA and Catholic Charities in Binghamton.

### UPCOMING:

We are working with Michele Gonzalez, of SUNY Cortland, to have her student's hold workshops for local teachers.

Have a writing workshop by a SUNY professor.

Sending out a questionnaire to survey members of what their current needs are. We will use this to develop some workshops that will be meaningful to our members and other teachers.
